The Garland Cafe, formerly managed by Dick Zilman, was sold to Tom Nogima the fore part of the week and Mr Zilman moved the bakery to his old stand east of the Garland Livery where he intends to continue baking bread. Mr. Nogima will remodel the building and conduct a first-class restaurant and lunch stand.

Meat Market Changes Hands

The Mathias & Parry butcher shop on Factory St., changed hands this week. Mr. Mathias having sold his interest to Mr. Dan Parry who was one of the firm members and the main stay of the business. Mr. Parry has had years of experience in this line and the success of the business in the past is largely due to his business ability and progressive spirit. The firm has secured the services of Leon Morgan of Rigby, Ida., who is an expert at the block.

The matter of stocking up and keeping on hand everything necessary to run a successful business will be promptly attended to.

Mr. John Bingham, Jr., has the local management of the business at present.

Mr. Rummel has filled the position as cashier for the past year and has made many friends in this vicinity. He left for Salt Lake City Thursday to join his folks who went there a few weeks ago. A position is in store for him at Salt Lake we are informed.

Mr. L G Young, son of H S Young, cashier of Deseret Nat'l, at Salt Lake City, accepted the position March 1st. He is a bright young man, well qualified and highly respected.

Beet Contracting

The Agricultural Superintendents of The Utah Sugar Company, despite the fact that the roads are almost impassable, are hard at work now securing contracts for the growing of sugar beets for the coming season. On account of the miserable condition of the roads it has been almost impossible for these gentlemen to reach the most remote portions of their respective districts, still they report the farmers signing up the contracts in good shape, and predict a good, large acreage for the coming season.

Vanausdell-Goss Sale.

The Vanausdell-Goss public sale Saturday last drew a good-sized crowd and was successfully carried on by Auctioneer W. P. Crozier who secured full value for most every thing offered for sale. A H Gleason paid \$187 for one horse and others brought from \$25 to \$100 each. H M Holler who acted as clerk, purchased three horses and sold one on the ground at a neat profit. V A Goss secured a pony for \$42 and Mr. Ault bought the spotted horse at a little less than \$100.

The hill road to Pt. Lookout is reported to be in good shape—quite dry.

Commercial Club Meeting

There was a meeting of the Garland Commercial Club in the Club rooms in Ritter Bros Block Monday night Feb 26th, for the purpose of receiving the reports of the various committees. Owing to the sickness of W H Rowe, Chairman of the Committee on Constitution, By-Laws and Articles of Incorporation, this committee was unable to report intelligently and were granted an extension of two weeks time in which to prepare said report. Some new members were admitted.

The time of holding the regular meeting was set for the second Monday of each month.

A committee consisting of R Bush, W R Vanfleet and M A Boothe was appointed for the purpose of soliciting membership and were urged to do all in their power to increase the number of club members.

At the Meeting of the Board of Governors, which was held immediately after the adjournment of the regular club meeting, the resignation of J A Wixom as assistant secretary was tendered by that gentleman and accepted. The reason for this resignation as given by Mr. Wixom was on account of lack of time on his part to attend to the many duties of assistant secretary, and also on account of the serious accident recently sustained by him. Mr. R L Bush was then appointed assistant secretary to occupy the vacancy caused by the resignation of Mr. Wixom.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W W Kearny, editor of the Independent, Lowry city, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. Cutting Affray

Last week two Japanese laborers, Y Katamura and Harry Tanaka, got into a row that resulted in one having his hand severely cut. They quarrelled and one attempted to strike the other and to avoid the blow he drew a knife cutting the other fellow's hand. Both men left for Ogden and have not been heard of since.

Team Runs Away.

At 2 p. m. Sunday the team of George Carter attached to a rig came galloping into town from Tremont and were stopped by Charles Ault in front of W A Ray's store. Mr. Carter and folks had started to Tremont and had stopped at a neighbors leaving the team in the road. They became frightened and ran away, keeping in the middle of the road all the time until they reached town. No damage was done and Mr. Carter soon arrived and found his team safely tied in front of the Pearl Saloon. He says this is the first time they ever ran away and it was somewhat of a surprise to him.

Self-Culture Club.

The members of the Ladies Self-Culture Club met in regular session last Friday afternoon at the home of Mrs Mosiah Evans, Prest. Somsen in the chair. The attendance was quite small only seven being present. Two new members were admitted to the club—Mrs. Edwards and Mrs Sellers. Owing to Mrs. Rummel having moved away she was honorably released from the membership of the club. Mrs. Eaton, Mrs. Edwards and Mrs. Wheeler were appointed a committee of three on entertainment of any member who, for a reasonable excuse, may withdraw from the club.

The ladies then read "Little David Copperfield".

Delicious refreshments were served and the club adjourned till Thursday, March 8th to meet at the home of Mrs Lant.

Miss Edna Carter who has been ill for the past week has returned for duty at central and her gentle voice is welcomed over the line again.

Garland Town Board

A meeting of the Trustees of the Town of Garland was held in the Commercial Club rooms Tuesday Night, Feb. 27th. The meeting convened for about two and one half hours, and several matters of importance were brought up for discussion and settlement. The President of the Town Board was instructed to secure some legal advice in regard to the securing of a loan of not to exceed \$1500 to pay for the construction of a Town Building and jail cells for same.

There was also a committee of two appointed for the purpose of getting up printed forms for the Marshall and Justice to make their monthly reports upon and the president appointed Messrs. Jno. T Lant and T H Edwards to act as that committee. It was further decided that the regular meeting of the Town Board be held on the first Tuesday of each month in the Garland Commercial Club rooms, meeting to begin at 7:30 p. m. The question of the appointing of officers of the town was held over for a full board meeting.

One especially wise move was made by the city fathers, which consisted of the appointing of a Board of Health to consist of two of the Board of Trustees and a resident physician. The president appointed Messrs. Edwards and Lant and Dr. J M Francke. The president was also instructed to appoint two committees consisting of two members of the board each to investigate with the property owners the advisability of establishing a sidewalk district, one of the committees to work north of the Factory Street and the other to work south of the Factory Street. The president appointed Messrs. Lant and Secrist for the district north of Factory Street and T H Edwards and H C Vanausdell for the district south of Factory Street.

After other matters of minor importance were brought up, discussed and finally voted upon, the meeting was adjourned to re-convene at the rooms of the Garland Commercial Club on March 6th at 7:30 p. m.

MORE COMPLIMENTS.

Number 1, Volume 1, of the Garland, Utah, Globe has been received at this office, and is a very neat and well arranged paper. Its columns are also well patronized with advertising and is a good representative of that growing place. Success to the Globe.—Globe-Header, Payson, Utah.

The following is clipped from the Southern Idaho Mail published at Blackfoot, Ida., by W E Smith. Mr. Smith published the Box Elder Herald at Brigham City sixteen years ago.

The Garland Globe is the next sheet that came to our attention. It is a neat well-gotten-up, six-column quarto, published at Garland, Utah, and at the mast head we see the name of our old friend, J Arthur Wixom. Arthur commenced to learn the printer's trade in our office several years ago and we are glad to see him at last with a paper of his own. Here's our shake.

A Commercial Club was organized at Garland, Utah, last week. Our former well-known townsman, J A Rostan, was elected secretary and also a member of the board of governors.—Montpelier Examiner.
